our start to the year

It's hard to believe term 1 is nearly complete. We have had a busy, exciting and lovely start to the school year. All the students have settled in well and deserve to be recognised for their ability to be flexible in our learning space. Getting to know the students more each day excites me for the fun adventures we are going to have together this year.

Please keep in close contact with **Seesaw** as all important information will be sent through this app in between newsletters.

parent/ teacher interviews

Parent/Teacher interviews are set to be in week 11, Monday April 9 and Tuesday April 10. Information will be going out soon to book in times. In the mean time put these dates in your calendar as it is an important chance to meet and converse about the progress of your children in our learning den.
