

Year Six/Seven

Term 2 Week 7

2018

The term is passing quickly and our class has been involved in a variety of activities with many more to come. The Year Sevens approached NAPLAN testing with maturity and all students in the class have remained focused.

Lightning Carnival

This year's Lightning Carnival has unfortunately been cancelled by the organisers – Kapunda Primary, due to bad weather. We would like to thank Roger Schutz and Jade Mosey who kindly gave their own time to assist with the football training. The students were keen to participate in the Lightning Carnival as this would have been a culmination of the lessons on skill development in PE lessons with Mrs Cluse.

Unit of Inquiry

Students have been very engaged in our current Unit of Inquiry which has the Central Idea: *Communities establish systems in order to manage themselves*. Students have learnt about how Federation came about, more about our local, state and federal governments and how to run preferential voting. The English focus for this unit has been on debating and we have had some very lively debates in the class.

In the last week of term we will begin our new unit under the Transdisciplinary Theme: *Sharing the planet* which has the Central Idea: *Energy sources have sustainable sources*.

Peer Support

Students have eagerly found out their Peer Support groups and have happily made the badges for the Junior Primary students in their group. At this stage the Year Six/Sevens are the only ones who know their groups. The Junior Primary students will find out who their leaders are at the first official session which will take place next week.

SAPSASA Football

Congratulations are extended to Thomas Mosey and Tarik Sauer who represented the Barossa and Light in Adelaide in week five playing matches each day. Both boys enjoyed the experience and are to be commended for their achievements.

Concert

Dance classes have been taking place on Fridays with Mrs Noack and the students are showing great skill and enthusiasm towards the tasks. As has been mentioned in The Informer, students will be presenting their dances at the Whole School Dance Performance on the evening of **Friday 29 June**. Please refer to notes sent home and further information in The Informer regarding costumes and times
