Term 2 continues

What an exciting and busy start we have had to term 2. We are nearing the end of the term and I have been reflecting on the learning we have done in our class. It is fantastic to see all the students developing a **Growth Mindset** towards their learning. We have had a big focus on this so far this term.

I can **CHANGE** my **MINDSET** with my **WORDS!**

INSTEAD OF:

- I am not good at this. ● I am not good at this YET, but I will learn.
- I am great at this. ● I **practised** and learned how to do this.
- This is too hard. ● This will require effort and finding the right strategy.
- This is too easy. ● How can I make this more challenging?
- I am afraid I will make a mistake. ● When I make a mistake, I will learn from it and get better.
- I give up. ● I will succeed if I put forth effort and find a better strategy.
- I can't do this. ● I need some feedback and help from others.
- This is good enough. ● Is it my best work? Can I improve it?
- I won't try because I might fail. ● If I fail I can try again until I succeed!
- I am not as smart as my friend. ● I am in charge of how smart I am because I can grow my brain by learning hard things!

Friday June 29 – Whole School Dance Performance

Mrs Bec Noack has been taking dance lessons for the whole school for 1 hour a week. This fits in with our Unit of Inquiry with the Central Idea, 'People express their feelings through performance'.

We will be wearing denim jeans and a checkered shirt with boots. I have purchased cowboy hats for the boys and Mary and Jess Geister will be making hair ties for the girls.

Let's get boot scootin' baby!

If we all make today *awesome* for somebody else today will be *awesome* for everybody.
