High-Five Kids!

This term has gone incredibly quickly. We have been working so hard this term with many messy weeks that include science week, book week, fathers day, excursions, Student-led Conferences and actually learning the curriculum mixed in between! During this craziness I cannot help but to be so proud of the students in our class, in the way that they compose themselves and work their hardest even when not in normal routine. This is such an incredible skill to have and will help them for their future years at school.

This is a huge high 5
to all the students
for their hard work
so far this term.

What Our week looks like

monday: Chapel
tuesday: Library borrowing
IT with Mrs Verrall
Critical and Creative Thinking with Mrs Skinner
wednesday: PE with Mrs Cluse
German with Mrs Hepner

student-led conference:

Thankyou to everybody who came to their child's Student-led Conference, it was amazing to see the students take the lead and teach you everything they know. I have learnt so much about all the students during the preparations for Student-led Conferences, they all showcased their individual personalities when they were teaching you about what we do at school. It was great to listen to the conversations you were having with your child about their learning.

A snapshot of Our Learning For term three

unit of inquiry

'organising an event requires planning and decision making'

Christian Studies

Christians have key practices and celebrations

literacy

Literacy block incorporating guided reading, writing, spelling, word work, grammar and handwriting.
