## Parent Information Night

Please come along to our Parent Information Night tomorrow night beginning at 7pm. I will outline how things will run in the Year 5 classroom this year and Mr Peters will present important information about student goal setting, communication and home-school partnerships. I look forward to seeing you there.

## Swimming Carnival

Thank you for returning your child's swimming nomination forms. Please join us this Friday for Chapel 9am in the School Hall before Swimming Carnival.

Swimming Carnival begins at 10:30am. Come along and cheer on our students as they represent their teams in individual races and novelty events.

Students need to wear their PE uniform shorts but may wear their own t-shirt to represent house colours. Students must wear their school hat on this day.

## Congratulations Milly

Last week we congratulated Milly on receiving our class award for being courageous in all areas of the classroom. She approaches learning tasks with an open mind and is committed to her learning in a quiet way.
