SRC Representatives

The SRC representatives in our classroom are George Preston and Maddy Mosey. We congratulate them on being elected to this role. They will work together with other SRC members across the school and Miss K to participate in school decisions and report back possible suggestions for change and action at our school from their class meetings.

Congratulations Kamora

For being open minded and diligent towards her learning in Maths. She approaches tasks with a positive mindset, asks questions to clarify her understanding and perseveres with challenging tasks.

Parent Information Night

Thank you for coming along to our Parent Information Night. It was excellent to spend time explaining how our classroom will work this year. It was a valuable opportunity to ask questions and step inside our learning space. For those of you who were unable to attend, please read through the information booklet that was sent home with your child last week. If you have any questions or concerns, please don't hesitate in contacting me.

Student Goals

This week your child will come home with a blue display folder which has a letter inside about student goals. Please sit down with your child and discuss their Literacy and Numeracy goal for this term. It is vital that students are supported in working towards their goals at home as part of their daily homework.

There are two copies of your child's goal inside the folder. Please keep one copy at home for your records. The other copy needs to be signed and send back to school in the folder.

Chapel / Assembly

Chapel will be held at 9am on Friday morning in the school hall and will be led by the Year 1/2 class. Please stay behind afterwards for the P&F meeting.

Assembly will be held at 2:40pm Friday afternoon in the school hall.
