Weekly Update

Students returned to the classroom last week refreshed and eager to share their holidays with everyone. It was excellent to hear the many experiences they were able to participate in over this holiday break.

Well done to Carla, George, Ryan, Bailey and Brett on their involvement in the 6-hour Pedal Prix event at Loxton on Sunday.

We wish Bailey, Brett, George, Charlie, Regan, Maddy and Kamora all the best on Wednesday as they participate in Cross Country.

Student Goals

Last week your child brought home their blue goals folder. Please sit down and discuss the Literacy and Numeracy goal your child has set for this term and how you can be of assistance to them at home in working towards the achievement of this goal.

There is a copy of each goal in the folder for your records at home. Please sign the other copy and return to school in the blue folder as soon as possible.

Please contact me if you have any questions or concerns about your child's goals or would like suggestions on ways you can support your child at home to achieve their goals.

Congratulations Ryan

Congratulations Ryan for receiving our class award last week. He received this award for being an inquirer. He has approached our current Unit of Inquiry on Natural Disasters with lots of enthusiasm and is eager to build his model of a tsunami. Well done Ryan!

NAPLAN

Next week on Tuesday, Wednesday and Thursday students will be participating in NAPLAN.

We will be spending time this week practising the Maths, Reading and Language Convention NAPLAN examples. This will assist students in becoming familiar with the layout and different question and answer formats.

Please contact me if you or your child have any concerns in regards to NAPLAN.
