## Weekly Update

Last Monday Jaz represented our school in the Barossa SAPSASA State Athletics Relay Team. We congratulate Jaz on her achievement, her team came 5<sup>th</sup> in their heat and 7<sup>th</sup> in the final.

Congratulations to everyone for their participation and excellent sportsmanship at Lightning Carnival on Friday. It was wonderful to see students having fun, practising their football and netball skills and most of all enjoying themselves.

A special thank you to our parent assistants on the day. We couldn't have done it without your help!

## Chapel

On Friday our class will be leading chapel at 9am in the Hall. Students always love having someone there, please consider inviting any grandparents or special friends.

Following our chapel service the P&F self-care workshop will be held in the hall. Why not make the most of this day by coming to chapel in the morning and the workshop afterwards.

## Student Goals

I will be meeting with each child this week to discuss their Literacy and Numeracy goal. I will check in with students again in week 8. This will be the final chance to assess achievement of their current goals before these are printed in their reports. Please take the time to assist your child in meeting their goals for this term.

## Awards

We missed Assembly last week because of Lightning Carnival. However, the recipients of our classroom award in week 4 and week 5 will be announced at this week's Assembly on Friday.
