## Weekly Update

I hope you had a lovely long weekend!

On Wednesday we will be visiting the Royal Flying Doctor Service Base. I will post a Seesaw reminder on Tuesday.

While we are at the Royal Flying Doctor Service on Wednesday Milly, Lucy and Makaya will be participating in a writing workshop at Loreto College. We look forward to hearing all about it girls.

On Friday, SRC will be holding their Casual Day for this term. The theme is 'AFL' or come dressed as your favourite sport or sporting team colours. We ask for a gold coin donation which will be donated to the Hutt Street organisation.

## *Congratulations Lucy*

Congratulations Lucy on receiving our class award last week. She received this award for being an inquirer. She poses excellent inquiry questions and independently completes research tasks. Lucy has taken her research findings in our Judiciary Systems unit and clearly expressed these in simpler terms using her own words. Well done Lucy!

## *Congratulations Regan*

We congratulate Regan in becoming a Times Tables Champion. She confidently recalled all of her times tables from 2 to 12 with Mr Peters last week. Regan was awarded a certificate and medal at Assembly last week to recognise her excellent achievement.

## *Student Goals*

This week I will be meeting with students for the final time to assess their Literacy and Numeracy goal achievement. As outlined in previous newsletters, it is earlier this term due to this information being included in your child's report.

Many students have already achieved their goal/s or are extremely close in achieving them. It has been fantastic to see the time and effort some students have put into them this term, which has overall contributed to a successful outcome.

## *Become a Times Tables Champion*

It has been fantastic to see many students in our class participate in 'Becoming a Times Tables Champion.' For those who are yet to visit Mr Peters, I encourage them to be courageous and give it a go. Students have the option of choosing the times table they start with.

Times tables are a valuable skill and something that will be beneficial to your child's learning in many areas of Maths in the future.

## *SRI Reading Achievement*

Last week, each child sat a Literacy Pro Reading Assessment to determine their SRI score. This was extremely successful, with majority of students showing significant growth in their comprehension skills. Your child's new SRI score will be included in their report.
