Weekly Update

We had a wonderful experience at the ALWS Awareness Day last Monday. Students developed an insight into what life is like for refugees and people living in poverty. I hope they were able to share a point of interest or learning with you.

Last week we were excited to begin using the new school laptops. I look forward to giving students many opportunities to use these devices to enhance their learning and ICT skills.

Please join us this Friday as we lead Chapel in the Hall and while you're there stay behind for the P&F meeting.
